Dust & Grooves Jun 08 2021 A photographic look into the world of vinyl record collectors—including Questlove—in the most intimate of environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

In the Pleasure Groove Jul 09 2021 With a new introduction by Nick Rhodes The talent. The charisma. The videos. From their 1981 hit "Planet Earth" to their latest number-one album, All You Need Is Now, John Taylor and Duran Duran have enchanted audiences around the world. It's been a wild ride, and—for John in particular—dangerous. John recounts the story of the band's formation, their massive success, and his journey to the brink of self-destruction. Told with humor, honesty—and packed with exclusive pictures—In the Pleasure Groove is an irresistible rock-and-roll portrait of a band whose popularity has never been stronger.

Groove Systems Jul 29 2020 Groove Systems utilizes patterns directly transcribed from 10 unique styles of music as a vehicle for both coordination development and an increase in stylistic vocabulary. The Groove System encompasses thousands of functional and musical coordination exercises. Each chapter contains a brief history of the style of music, as well as a list of the key drummers, artists, and grooves that exemplify that style. The Groove System follows and contains vocabulary for each isolated "instrument" of the drum set.

[Unlocking the Groove](#) Jul 21 2022 Unlocking the Groove is a groundbreaking, award-winning, music-driven analysis of electronic dance music (EDM). Author Mark Butler interweaves traditional and non-traditional musical analysis with consideration of the genre's history and social significance, deconstructing several typical examples of electronic dance music and focusing on the interaction of beat and rhythmic structure in creating an overall musical design. Interviews with DJs, listeners, and producers flesh out the book, providing insight into the

perceptions and performance world of EDM, and making a vivid case for the musical artistry of EDM disc jockeys. The CD included with the book illustrates the analysis with multiple musical examples, both in excerpts and full songs. Butler's work propels the study of popular music in exciting new directions, and will impact the range from popular music studies, music theory, ethnomusicology, and musicology.

Into the Groove Oct 12 2021 When hood rat D. Wayne Tyrone is charged with the mass murder of eleven women and kids, rookie Parole Officer Stedman Groove must march to hell and back to prove his friend's innocence. *Into the Groove* is a work of fiction, but the Palm Sunday Massacre was very real. The senseless murder of eleven women and children in 1984 will live on as one of the ugliest moments in New York City history and possibly one of the Big Apple's most appalling miscarriages of justice. A jury of twelve sent an innocent man to prison for thirty-four years. Slide Into The Groove with Steady as he uncovers the startling truth.

Inside the Blues May 07 2021 Blues-guitarskole.

The Groove of the Poem Jun 20 2022 " Music is the brute that shows. It is the avowal of materials, And stutters between its clanging of things. " How should one think this musical groove of the poem whose back and forth motion shuffles the material of ordinary language and revives the frozen speech of old chants? This question by renowned French thinker Jacques Rancière is the entry point for his earnest and careful reading of one of France ' s most singular and important contemporary poets. For Rancière, Philippe Beck sets himself the task of a poetry after poetry whereby Beck re-writes and transforms the poems of the past, reanimating faded genres, poetizing the prose of popular tales and even commentaries regarding poems. To read and follow this groove traced as such cannot simply be done by way of taking the poems as objects of study. It supposes a dialogue regarding what these poems attempt to do as well as an idea of a poetry which serves as their foundation. This book on Philippe Beck is thus also a book made with him.

Graduation Groove Jan 03 2021 Got the graduation groove in my kindergarten feet. I'm zipping up my gown to a first-grade beat. Graduate from kindergarten in style, dancing all the way to first grade! It's time to graduate from kindergarten! This book celebrates all of the things that make kindergarten great. From classmates to projects, teachers to pets, kindergarten is full of amazing experiences. Graduating from kindergarten and starting first grade is an important milestone in every kid's life. Whether you're excited or nervous, this book is perfect for your special day and will help you dance to first grade!

Bass Grooves Oct 20 2019 (Book). This invaluable guide and accompanying CD give bass players both the musical background and training needed to get on with their grooving. With lessons guided by a metronome and presented in various musical styles and rhythmic applications, bassists increase their ability to internalize rhythm. The book also breaks down classic styles and grooves from rock, blues, R&B, jazz, Afro-Caribbean, and other traditions. Each example includes a notated version of the drum part and details how to program it into a drum machine.

Media, Materiality and Memory Apr 25 2020 *Media, Materiality and Memory: Grounding the Groove* examines the entwinement of material music objects, technology and memory in relation to a range of independent record labels, including Sarah Records, Ghost Box and Finders Keepers. Moving from Edison ' s phonograph to digital music files, from record collections to online archives, Roy argues that materiality plays a crucial role in constructing and understanding the territory of recorded sound. How do musical objects ' write ' cultural narratives? How can we unearth and reactivate past histories by looking at yesterday ' s media

formats? What is the nature, and fate, of the physical archive in an increasingly dematerialized world? In what ways do physical and digital musical objects coexist and intersect? With its innovative theoretical approach, the book explores the implications of materialization in the fashioning of a musical world and its cultural transmission. A substantial contribution to the field of music and material culture studies, *Media, Materiality and Memory* also provides a nuanced and timely reflection on nostalgia and forgetting in the digital age.

Groove Theory Apr 06 2021 Tony Bolden presents an innovative history of funk music focused on the performers, regarding them as intellectuals who fashioned a new aesthetic. Utilizing musicology, literary studies, performance studies, and African American intellectual history, Bolden explores what it means for music, or any cultural artifact, to be funky. Multitudes of African American musicians and dancers created aesthetic frameworks with artistic principles and cultural politics that proved transformative. Bolden approaches the study of funk and black musicians by examining aesthetics, poetics, cultural history, and intellectual history. The study traces the concept of funk from early blues culture to a metamorphosis into a full-fledged artistic framework and a named musical genre in the 1970s, and thereby Bolden presents an alternative reading of the blues tradition. In part one of this two-part book, Bolden undertakes a theoretical examination of the development of funk and the historical conditions in which black artists reimagined their music. In part two, he provides historical and biographical studies of key funk artists, all of whom transfigured elements of blues tradition into new styles and visions. Funk artists, like their blues relatives, tended to contest and contextualize racialized notions of blackness, sexualized notions of gender, and bourgeois notions of artistic value. Funk artists displayed contempt for the status quo and conveyed alternative stylistic concepts and social perspectives through multimedia expression. Bolden argues that on this road to cultural recognition, funk accentuated many of the qualities of black expression that had been stigmatized throughout much of American history.

Tongue & Groove Nov 01 2020 Inspired and informed by the music and urban landscape of New York City, *Tongue & Groove* employs jazzy and descriptive language in a sweep of city-life experiences and memories. A passionate rendering of incidents in spaces that include the subway, a school for the handicapped, and The Museum of Modern Art, Stephen Cramer employs richly sensual language and a wide range of imagery. Alluring portrayals of butterfly migrations, graffiti, and city buses complement this collection's connection to the everyday hoots, shouts, and yammer of the streets. --or you can open your mouth & stick out your tongue, take that fugitive impulse from the artist's hand straight into your very gut & maybe find out along the way if the lime-green of that inverted roof & the burnt almond of the filling station's roadside grasses live up to their names. --from "Taste"

And Then We Danced Jan 23 2020 "Captivating...equal parts memoir and cultural history, Henry Alford seamlessly interweaves heartwarming and hilarious anecdotes about his deep dive into all things dance" (Misty Copeland, *The New York Times Book Review*). When Henry Alford wrote about his experience with a Zumba class for *The New York Times*, little did he realize that it was the start of something much bigger. Dance would grow and take on many roles for Henry: exercise, stress reliever, confidence builder, an excuse to travel, a source of ongoing wonder, and—when he dances with Alzheimer's patients—even a kind of community service. Tackling a wide range of forms (including ballet, hip-hop, jazz, ballroom, tap, contact improvisation, Zumba, swing), Alford's grand tour takes us through the works and careers of luminaries ranging from Bob Fosse to George Balanchine, Twyla Tharp to Arthur Murray. Rich in insight and humor, Alford mines both personal experience and fascinating cultural history to

offer a witty and ultimately moving portrait of how dance can express all things human. And Then We Danced “ is in one sense a celebration of hooper in all its wonder and variety, from abandon to refinement. But it is also history, investigation, memoir, and even, in its smart, sly way, self-help...very funny, but more, it is joyful—a dance all its own ” (Vanity Fair).

Sexing the Groove Apr 18 2022 Sexing the Groove discusses these issues and many more, bringing together leading music and cultural theorists to explore the relationships between popular music, gender and sexuality. The contributors, who include Mavis Beayton, Stella Bruzzi, Sara Cohen, Sean Cubitt, Keith Negus and Will Straw, debate how popular music performers, subcultures, fans and texts construct and deconstruct 'masculine' and 'feminine' identities. Using a wide range of case studies, from Mick Jagger to Riot Grrrls, they demonstrate that there is nothing 'natural', permanent or immovable about the regime of sexual difference which governs society and culture. Sexing the Groove also includes a comprehensive annotated bibliography for further reading and research into gender and popular music.

Native Musicians in The Groove Dec 26 2022 From the melodic sounds of a classical guitar or the wailing of an electric guitar to country music and punk rock, these musicians deliver. They offer a wide selection of musical styles as diverse as the music industry itself. Read about the lives of these outstanding performers who represent the fresh new sounds from Native American today. The music of these talented artists transcends borders and cultures to speak directly to the hearts and minds of listeners. But it was not always easy for them to reach their goals. Shane Yellowbird (Cree) - Canadian country recording artist Mary Youngblood (Seminole/Aleut) - Flutist Blackfire (Navajo) - Punk rock and traditional Dine' (Navajo) music Jamie Coon (Creek/Seminole) - Singer/songwriter Gabriel Ayala (Pascua Yaqui) - Classical guitarist Mato Nanji (Nakota Sioux) - Lead guitarist and singer for Indigenous Four Rivers Drum - Vibrant drum group

Murder in the Groove Mar 25 2020 When Australia's most successful and least liked musician is found dead, it looks like an overdose. But his roadie is dead too, and there are a lot of suspects. First published in 1998 and featuring the country's most unlikely sleuth--ex-rock star Andrew 'The Lizard' Zirk--Murder in the Groove is the first in a three part series of whodunnits that read like a cross between Agatha Christie and Carl Hiaasen. Dave Warner is an award-winning author, screenwriter and musician. He won the Western Australian Premier's Award for Fiction in 1996 for City of Light (1995), the Ned Kelly Award for Best Australian Crime Fiction in 2017 for Before it Breaks (2015) and is a member of the WA Rock and Roll of Renown (1992). In 2015, he was named a Western Australian State Living Treasure. For more information visit davewarner.com.au

The Groove Scriptures May 19 2022 In 2007, I was taken into captivity for crimes against a society not my own. When I woke to my first day of imprisonment, I was a much wiser man. I felt refreshed but ten years older. I woke to a dignified enlightenment that I am certain I was unaware of only a day sooner. It is difficult to explain the cosmic feeling of sudden enlightenment that occurred during my sleep, however, from that day forward, I knew. I knew that my sacrifices landed me in the cell I woke up in. I knew it was my destiny. I got up and walked to my desk and wrote, 'The Groove Scriptures,' at the top of a piece of paper. From there, I wrote everything that came to me in my sleep. It didn't come to me in a dream that some might characterize as a vision; it came to me more as a sudden epiphany downloaded. I just knew. I finished delivering The Groove Scriptures to paper on July 16, 2007. When they were complete, I took to the task of spreading the word. I've never met a proud Hoover who

has met the system of principles and beliefs in disdain or with total disagreement. My conscience was awakened to the reality that was my own. I was willing to live for, die for, and risked being captured or killed for the Groove! I made the ultimate sacrifices for the Groove and recognized that I had done so since becoming one with the Groove. I recognized that the Groove took the place in my life that God took in a monotheist's life. I recognized also that I was given this wisdom as a gift to keep giving. I recognized that I had been assigned by the energy that is the Groove, to speak for the Groove and spread the word to other Hoovers Grooving in the Groove so that they will know the truth and better focus their energy that is Grooving. I am a wiser man now. I am a stronger man now. Salute to the Groove for which I pray thanks. One Nation Under The Groove

The Vinyl Detective - The Run-Out Groove May 27 2020 His first adventure consisted of the search for a rare record; his second begins with the discovery of one. When a mint copy of the final album by “ Valerian ” —England ’ s great lost rock band of the 1960s—surfaces in a charity shop, all hell breaks loose. Finding this record triggers a chain of events culminating in our hero learning the true fate of the singer Valerian, who died under equivocal circumstances just after—or was it just before?—the abduction of her two-year-old son. Along the way, the Vinyl Detective finds himself marked for death, at the wrong end of a shotgun, and unknowingly dosed with LSD as a prelude to being burned alive. And then there ’ s the grave robbing... But he does find out what happened to the missing child, and it wasn ’ t what anyone expected—or wanted—to hear.

Tommy Igoe - Groove Essentials 1.0/2.0 Complete: Includes 2 Books, 2 DVDs, and 2 Posters Mar 17 2022 (DVD). Now you can order all of the books, CDs, DVDs and posters available in Groove Essentials 1.0 and 2.0 in one comprehensive pack for only \$59.99!

Groove: An Aesthetic of Measured Time Nov 13 2021 People often talk about the groove of music, but what is it, and what does it mean? Why has groove-based music come to dominate in the West and increasingly across the world?

One Nation Under a Groove Sep 18 2019 How Motown changed the landscape of American popular culture

Finding the Groove Aug 22 2022 'A jazz-shaped faith ... balances freedom with boundaries, the individual with the group, and traditions with the pursuit of what might be. I have discovered in jazz a way of thinking, living, communicating---a way of being ... a groove.' You don't have to be a jazz musician, or even a jazz connoisseur, for this book to speak to you. If you love God and his Word, and if you've longed to follow Jesus Christ outside the slick corporate structures that some American churches erect, this book is for you. If you want to discover a freer, more genuine expression of Christianity, Finding the Groove will be music to your ears, your heart, and your mind. Using brilliant metaphors from the world of jazz, Robert Gelinas reveals breathtaking possibilities for the body of Christ. What might a 'jazz-shaped faith' look like---and how could it help us fulfill the message of the gospel in a way no method, movement, or structured program ever could? How can understanding the beauty of jazz help you better understand Jesus, his vision for those who follow him, and his heartbeat for a world that is badly out of sync? But this book isn't about music. It is about a passionate, biblical, fully integrated way of looking at life and salvation that will free you to find your own unique groove in the kingdom of God.

The Worship Bass Book Jun 27 2020 Illustrated throughout

Welcome to Groove House Feb 22 2020 Lock up your grandmothers! . . . When rock ’ s former biggest rebel loses everything, he ’ s forced to call in favors from all the rock star royalty whom

he 'd burned his entire career. With a trashed comeback tour, creditors on his ass, no record deal, a health issue he doesn 't even know how to spell, and nothing but a few bucks from the sale of his last guitar, Mike Mays is destitute for the first time in his rock star life. He 's forced to crash his estranged, uptight daughter 's tidy world, and when she kicks him out, to couch-surf halfway around the world at a ragtag farmhouse in Tuscany called Groove House—home to a pack of aging ex-rock stars, who aren 't thrilled to see him. Mike creates chaos at every turn, bulldozing everyone in his path. His raunchy offstage antics snagged headlines back in the '70s and '80s, but can the aging bad boy bluff his way out of his worst bungle yet and actually stage a comeback?

Needle in the Groove Sep 23 2022 After years of playing in two-bit bands, Elliot gets his big chance - he meets a singer, a DJ and a drummer who seem to have everything. But just as their first dance record is climbing the charts, one of the band disappears.

Jost Nickel's Groove Book Feb 16 2022

The Groove Book: A Study in Musical Styles for Bass Mar 05 2021 A good bass player should be able to comfortably play in almost any style of music in almost any given situation. the goal of this book is to reveal the vast world of different musical styles that may be encountered during the lifetime of a bass player. Each chapter begins with a small history of the musical style. Knowing how each of these styles is related can improve playing by way of borrowing grooves and ideas from one to the other. the groove book is designed not only to teach you how to play these different styles, but also how to enjoy playing them. Written in standard notation only.

In the Groove Jan 15 2022 What the much-admired Blue Note: The Album Cover Art and Blue Note 2 did for jazz, In the Groove does for the sounds of the '40s and '50s, when swing and bebop took off. Selected for their noteworthy design and wonderful illustrations, these visual stunners range from jazz to popular tunes to classical and Latin styles. But it's the lounge vibe that truly runs wild as we tour more than 300 sensational album covers, including seldom-seen issues from Decca, Blue Note, and other labels. A brief text explains what design was like before the photograph took over and how the invention of the LP changed the record business forever. Author Eric Kohler also introduces the stand-out designers and key labels of the period. Cole Porter, Louis Armstrong, Bing Crosby, Billie Holiday, Frank Sinatra, Desi Arnaz, Carmen Miranda their best album covers are all here, and they're all sizzlin' in the heyday of hip. Easy on the eyes, In the Groove is the real thing: the great covers created by the great designers for the musical greats of yesteryear.

Groove Interrupted Feb 04 2021 Presents Hurricane Katrina stories from musicians, including Fats Domino's efforts to promote a tribute CD, Alex Chilton's decision to live in a New Orleans cottage, and rapper Mystikal's release from prison where he rode out the storm.

Elvis Forever in the Groove Sep 11 2021 This 216-page book pays tribute to the 50th anniversary of Elvis Presley's history-making recording career. The format is a half-round shape to represent a vinyl LP album. Every chapter opens with one of Elvis's album covers, reproduced at near-actual size. More than 550 photographs, some never before published, illustrate the King of Rock 'n' Roll's recording and performing career as well as his private life.

Groove Tube Aug 18 2019 Critics often claim that prime-time television seemed immune—or even willfully blind—to the landmark upheavals rocking American society during the 1960s. Groove Tube is Aniko Bodroghkozy 's rebuttal of this claim. Filled with entertaining and enlightening discussions of popular shows of the time—such as The Monkees, The Smothers Brothers Comedy Hour, The Mod Squad—this book challenges the assumption that TV

programming failed to consider or engage with the decade's youth-lead societal changes. Bodroghkozy argues that, in order to woo an increasingly lucrative baby boomer audience, television had to appeal to the social and political values of a generation of young people who were enmeshed in the hippie counterculture, the antiwar movement, campus protests, urban guerilla action—in general, a culture of rebellion. She takes a close look at the compromises and negotiations that were involved in determining TV content, as well as the ideological difficulties producers and networks faced in attempting to appeal to a youthful cohort so disaffected from dominant institutions. While programs that featured narratives about hippies, draft resisters, or revolutionaries are examined under this lens, *Groove Tube* doesn't stop there: it also examines how the nation's rebellious youth responded to these representations. Bodroghkozy explains how, as members of the first "TV generation," some made sense of their societal disaffection in part through their childhood experience with this powerful new medium. *Groove Tube* will interest sociologists, American historians, students and scholars of television and media studies, and others who want to know more about the 1960s.

Finding the Groove Oct 24 2022 In *Finding the Groove*, drummers will find a collection of essays and stories which offer invaluable practical advice, from understanding the role of the drummer in the band to acquiring the musical tools needed to develop good "feel." Other musicians-and music educators-will find important topics covered as well, including strategies for practicing more effectively, overcoming mental and physical obstacles to progress, and the critical importance of attitude and intention. Artists-or really anyone who hones a practice or pursues a passion-will find life stories that illuminate: essays on finding your voice and staying true to your creative vision; surrounding yourself with peers who help you grow; and an exploration of the pitfalls of self-doubt that plague so many creative people, and get in the way of achieving the fullest expression of their artistic calling.

Getting in the Groove Nov 25 2022 *Getting in the Groove* is the easy, up-to-date, multicultural, non-threatening, timely, and fun way to teach creating and improvising through drumming. This exciting curriculum covers drumming across the globe, from West African to Taiko styles. You do not have to be a drummer to teach this book. All rhythms and examples are on the CD for easy teaching and use in the classroom. *Getting in the Groove* addresses all types of learning styles and aligns with current teaching methodologies, as well as the National Standards for Music Education. Reproducible worksheets, quizzes, and assessments are included. Intended for late elementary to middle school. "Sipes reminds readers that music is for everyone, and *Getting in the Groove* supports this claim with a step-by-step drumming curriculum to teach students easily grasped rhythms in group settings." --Blogcritics.org

Tommy Igoe - Groove Essentials Dec 14 2021 Miscellaneous DVD

Peer-to-peer Programming on Groove Nov 20 2019 *Groove* is a PC application that uses the Internet to make direct connections between members of a group. Written for programmers familiar with XML and JavaScript, this guide shows how to install and publish *Groove* tools for creating discussion boards and collaborative work environments. A group trivia game application illustrates the concepts. The CD-ROM contains the *Groove* software. Annotation copyrighted by Book News, Inc., Portland, OR.

Groove Facility Aug 30 2020 In this multimedia package, Dom Famularo and Rob Hiron show you the path to creating a complete vocabulary of funky and effective contemporary drumset grooves. By using one-beat components arranged in different orders, this book will have you playing modern-sounding grooves right away. What really sets the book apart, however, is the clear explanation of the motions needed to execute these patterns---information that has never been included in a groove-based drum book before. Drawing on the explanations and systems presented in *It's Your Move* by Dom Famularo (Alfred #0568B), the authors show you how to apply Moeller and free-stroke motions in a relaxed way in order to create the sound you want while grooving on the drumset. The included data disc includes 22 QuickTime move clips that clearly show the motions and groove concepts taught in the book, along with 4 original play-along tracks designed for applying your new grooves.
