Cittadino Di Due Mondi Dec 29 2019 At times in life you do things that requires attitude out of the ordinary, almost at the edge of common sense. This has been very important to me, to become a Citizen Of Two Worlds. The story of a teenager boy that leaves a small town in Basilicata to come to America. In the 70s, I think that a lot of young people dreamed to come to the United States of America, land of sky scrapers, endless prairies and fast foods, place where lots of my favorite actors and singers live, where Cowboys and Indians fought with each other (I love my Western movies). Hollywood makes you believe a reality that is not there, when you reach the land of opportunities you soon realize that money doesn't grow on trees. A message that I wanted to give to my readers is that sometimes you need to make hard decisions and to take responsibilities for your actions. It's not easy to do, but I did it when I left Italy and also when I sat down to write this book. THIS IS MY STORY. Si fanno cose nella vita che richiedono spirito di avventura e forte dose di incoscienza. Questo è stato importante nel mio caso per essere Cittadino Di Due Mondi. La storia di un teenager che lascia il profondo Sud della Basilicata per emigrare negli States. Negli anni 70 penso che molti giovani sognavano di andare in America, terra di grattacieli, grande praterie e fast foods, paese dove molti cantanti e attori, che io adoro sono nati, dove Cowboys and Indiani fanno guerra (film Western che adoro). Hollywood ti crea una realtà surreale di come l'America non è, si arriva qui e presto ti accorgi che ce poco di vero di quello che la televisione ti faceva credere e presto ti accorgi che i soldi non si trovano per terra, la realtà è ben diversa. Un messaggio che voglio trasmettere con questo racconto e che a volte bisogna mettersi in gioco e assumersi le proprie responsabilità anche se non è facile. A me successe quando lasciai l'Italia e quando ho deciso di scrivere questo libro. QUESTA È LA MIA STORIA.

Road to Valor Jun 26 2022 The inspiring, against-the-odds story of Gino Bartali, the cyclist who made the greatest comeback in Tour de France history and secretly aided the Italian resistance during World War II Gino Bartali is best known as an Italian cycling legend who not only won the Tour de France twice but also holds the record for the longest time span between victories. In Road to Valor, Aili and Andres McConnon chronicle Bartali's journey, from an impoverished childhood in rural Tuscany to his first triumph at the 1938 Tour de France. As World War II ravaged Europe, Bartali undertook dangerous activities to help those being targeted in Italy, including sheltering a family of Jews and smuggling counterfeit identity documents in the frame of his bicycle. After the grueling wartime years, the chain-smoking, Chianti-loving, 34-year-old underdog came back to win the 1948 Tour de France, an exhilarating performance that helped unite his fractured homeland. Based on nearly ten years of research, Road to Valor is the first book ever written about Bartali in English and the only book written in any language to explore the full scope of Bartali's wartime work. An epic tale of courage, resilience, and redemption, it is the untold story of one of the greatest athletes of the twentieth century.

Il Drago, Il Sole E La Pantera Sep 17 2021 Questo è un libro forte, intenso, profondo; e un testo impegnativo, ma non tanto per lo stile di scrittura, che ho cercato di rendere sempre il più fluido e scorrevole possibile, quanto piuttosto per i suoi contenuti: ho voluto infatti

rivisitare il percorso di ricerca interiore che ho portato avanti per lungo tempo, per arrivare a spiegare, esponendomi in prima persona e senza riserve, chi sono oggi e perché, anche se questo ha talvolta comportato il dover mettere in discussione anche quello che solitamente si tende a dare per scontato, e affrontare determinati aspetti dell'esistenza con cui non è propriamente indolore trovarsi a fare i conti

La mia storia Sep 29 2022

Road to Valour Mar 24 2022 Road to Valour is the inspiring, against-the-odds story of Gino Bartali, the cyclist who made the greatest comeback in Tour de France history and, between his Tour victories, secretly aided the Italian resistance during World War II. Gino Bartali is best known as an Italian cycling legend: the man who not only won the Tour de France twice, but also holds the record for the longest time span between victories. During the ten years that separated his hard-won triumphs, his actions, both on and off the racecourse, ensured him a permanent place in Italian hearts and minds. In Road to Valour, Aili and Andres McConnon chronicle Bartali's journey, starting in impoverished rural Tuscany where a scrawny, mischievous boy painstakingly saves his money to buy a bicycle and before long, is racking up wins throughout the country. At the age of 24, he stuns the world by winning the Tour de France and becomes an international sports icon. But Mussolini's Fascists try to hijack his victory for propaganda purposes, derailing Bartali's career, and as the Nazis occupy Italy, Bartali undertakes secret and dangerous activities to help those being targeted. He shelters a family of Jews in an apartment he financed with his cycling winnings and smuggles counterfeit identity documents hidden in his bicycle past Fascist and Nazi checkpoints because the soldiers recognize him as a national hero in training. After the grueling wartime years, Bartali fights to rebuild his career as Italy emerges from the rubble. In 1948, the stakes are raised when midway through the Tour de France, an assassination attempt in Rome sparks nationwide political protests and riots. Despite numerous setbacks and a legendary snowstorm in the Alps, the chain-smoking, Chianti-loving, 34-year-old underdog comes back and wins the most difficult endurance competition on earth. Bartali's inspiring performance helps unite his fractured homeland and restore pride and spirit to a country still reeling from war and despair. Set in Italy and France against the turbulent backdrop of an unforgiving sport and threatening politics, Road to Valour is the breathtaking account of one man's unsung heroism and his resilience in the face of adversity. Based on nearly ten years of research in Italy, France, and Israel, including interviews with Bartali's family, former teammates, a Holocaust survivor Bartali saved, and many others, Road to Valour is the first book ever written about Bartali in English and the only book written in any language to fully explore the scope of Bartali's wartime work. An epic tale of courage, comeback, and redemption, it is the untold story of one of the greatest athletes of the twentieth century.

Global Islamophobia Sep 05 2020 The decade since 9/11 has seen a decline in liberal tolerance in the West as Muslims have endured increasing levels of repression. This book presents a series of case studies from Western Europe, Australia and North America demonstrating the transnational character of Islamophobia. The authors explore contemporary intercultural conflicts using the concept of moral panic, revitalised for the era of globalisation. Exploring various sites of conflict, Global Islamophobia considers the role played by 'moral entrepreneurs' in orchestrating popular xenophobia and in agitating for greater surveillance, policing and cultural regulation of those deemed a threat to the nation's security or imagined community. This timely collection examines the interpenetration of the global and the local in the West's cultural politics towards Islam, highlighting parallels in the responses of governments and in the worrying reversion to a politics of coercion and assimilation. As such, it will be of interest to scholars of sociology and politics with interests in race and ethnicity; citizenship and assimilation; political communication, securitisation and The War on Terror; and moral panics.

Musica E Musicisti Mar 12 2021

Homelands and Diasporas Nov 07 2020 The volume brings together a collection of essays on Jewish-related subjects to celebrate Emanuela Trevisan Semi's career and research authored by some former students, friends and colleagues on the occasion of her retirement. Drawing upon the many academic interests and research of Trevisan Semi, one of the most important European scholars of Jewish and Israel Studies, the volume discusses the diversity of Jewish culture both in the diaspora and in Israel. The contributors here wrote their pieces understanding Jewish culture as inscribed in a set of different, yet interrelated, homelands and diasporas, depending on the time and space we refer to, and what this means for communities and individuals living in places as different as West Africa, Poland, Morocco, and Israel and the Occupied Palestinian Territories. At the same time, they discuss the notion of diaspora as being crucial in the formation of the Jewish cultural identity both before and after the birth of the State of Israel.

L'ibridismo nell'Inferno: traduzione, mostri, e il rapporto fra Virgilio e Dante Jun 14 2021 Personal experience in language acquisition combined with a fresh approach to Dante's classical work brings a modern, readable format to the Inferno. Author achieves his goal by reviewing Dante's use of relevant cultural modeling and drawing inferences from other translations to underscore the importance of a scholar's own milieu in keeping a classical work fresh. In this work, we get a glimpse into the newest generation of scholars and how they achieve a timely interpretation of a classical work.

Jimi Hendrix. Zero. La mia storia Oct 19 2021

Ending Terrorism in Italy Oct 26 2019 Ending Terrorism in Italy analyses processes of disengagement from terrorism, as well as the connected issues of reconciliation, truth and justice. It examines in a critical and original way how terrorism came to an end in Italy (Part I), and the legacy it has left behind (Part II). The book interrogates a wide array of published memoirs and a considerable number of new face-to-face interviews with both former terrorists and first and second generation victims In the last two decades, and especially in recent years, former extreme-right terrorists in Italy have started to talk about their past involvement in terrorist violence, including, for the first time, acts of violence which have for decades been considered taboo, that is to say, bomb attacks against innocent civilians. These narratives add to the perspectives offered by members of left-wing terrorist groups, such as the Red Brigades and Prima Linea. Surprisingly, these narratives have not been systematically examined, yet they form a unique and extremely rich source of first-hand testimony, providing invaluable insights into processes of youth radicalization and de-radicalization, the social re-integration of ex-terrorists, as well as personal and collective healing. Even less attention has been paid to the victims' narratives or stories. Indeed, the views and activities of the victims and their associations have been seriously neglected in the scholarly literature on terrorism, not just in Italy, but elsewhere in Europe. The book therefore examines the perspectives of the victims and relatives of victims of terrorism, who over the years have formed dedicated associations and campaigned relentlessly to obtain justice through the courts, with little or no support from the state and, especially in the case of the bombing massacres, with increasing awareness that the state played a role in thwarting the course of justice. Ending Terrorism in Italy will be of interest to historians, social scientists and policy makers as well as students of political violence and post-conflict resolution. .

Italian Crime Fiction Feb 29 2020 The present volume is the first study in the English language to focus specifically on Italian crime fiction, weaving together a historical perspective and a thematic approach, with a particular focus on the representation of space, especially city space, gender, and the tradition of *impegno*, the social and political engagement which characterised the Italian cultural and literary scene in the postwar period. The 8 chapters in this volume explore the distinctive features of the Italian tradition from the 1930s to the present, by focusing on a wide range of detective and crime novels by selected Italian writers, some of whom have an established international reputation, such as C. E. Gadda, L. Sciascia and U. Eco, whilst others may be relatively unknown, such as the new generation of crime writers of the Bologna school and Italian women crime writers. Each chapter examines a specific period, movement or group of writers, as well as engaging with broader debates over the contribution crime fiction makes more generally to contemporary Italian and European culture. The editor and contributors of this volume argue strongly in favour of reinstating crime fiction within the canon of Italian modern literature by presenting this once marginalised literary genre as a body of works which, when viewed without the artificial distinction between high and popular literature, shows a remarkable insight into Italy's postwar history, tracking its societal and political troubles and changes as well as often also engaging with metaphorical and philosophical notions of right or wrong, evil, redemption, and the search of the self.

La mia storia con e senza gli Who. Molte grazie Mr. Kibblewhite Jul 28 2022

Short Stories in Italian Jul 16 2021 This is an all new version of the popular PARALLEL TEXT series, containing eight pieces of contemporary fiction in the original Italian and in English translation. Including stories by Calvino, Benni, Sciascia and Levi, this volume gives a fascinating insight into Italian culture and literature as well as providing an invaluable educational tool.

La mia storia Dec 21 2021

Claretta May 02 2020 A master historian illuminates the tumultuous relationship of Il Duce and his young lover Claretta, whose extraordinarily intimate diaries only recently have become available Few deaths are as gruesome and infamous as those of Benito Mussolini, Italy's fascist dictator, and Claretta (or Clara) Petacci, his much-younger lover. Shot dead by Italian partisans after attempting to flee the country in 1945, the couple's bodies were then hanged upside down in Milan's main square in ignominious public display. This provocative book is the first to mine Clara's extensive diaries, family correspondence, and other sources to discover how the last in Mussolini's long line of lovers became his intimate and how she came to her violent fate at his side. R. J. B. Bosworth explores the social climbing of Claretta's family, her naïve and self-interested commitment to fascism, her diary's graphically detailed accounts of sexual life with Mussolini, and much more. Brimful of new and arresting information, the book sheds intimate light not only on an ordinary-extraordinary woman living at the heart of Italy's totalitarian fascist state but also on Mussolini himself.

Italy's Jews from Emancipation to Fascism Jul 04 2020 How did Italy treat Jews during World War II? Historians have shown beyond doubt that many Italians were complicit in the Holocaust, yet Italy is still known as the Axis state that helped Jews. Shira Klein uncovers how Italian Jews, though victims of Italian persecution, promoted the view that Fascist Italy was categorically good to them. She shows how the Jews' experience in the decades before World War II - during which they became fervent Italian patriots while maintaining their distinctive Jewish culture - led them later to bolster the myth of Italy's wartime innocence in the Fascist racial campaign. Italy's Jews experienced a century of dramatic changes, from emancipation in 1848, to the 1938 Racial Laws, wartime refuge in America and Palestine, and the rehabilitation of Holocaust survivors. This cultural and social history draws on a wealth of unexplored sources, including original interviews and unpublished memoirs.
