The Orwellian World of Jehovah's Witnesses

Aug 06 2020 Discusses the history and religious doctrines of the Jehovah's Witnesses and examines the parallels between the religion and George Orwell's novel, 1984

Christian Conversations with Jehovah's

Witnesses Nov 01 2022 Follow the inspiring dialogues between a Christian named Karen and a Jehovah's Witness named Cindy as they discuss the Watchtower brochure What Does God Require of Us? and explore the core differences between Biblical Christianity and the Watchtower religion. In this book, Biblical truth is presented in an effective way that challenges the common reasoning embraced by faithful members of the Watchtower organization.

Originally published under the title What Does God Require?, this book is the product of experiences the author had talking with Jehovah's Witnesses of all levels of leadership. Written in dialogue format, this book includes photocopies of the pages referenced from official Watchtower publications and other sources essential for Christians using this book to witness to Jehovah's Witnesses. Discussion topics are: New Light Changes In Watchtower Doctrine False Prophecies Of The Watchtower Society The Watchtower's Definition Of A Cult Watchtower History and Cover-ups The Jehovah's Witness Claim To Be The Only True Religion The Divine Name Jehovah The Trinity And The Deity Of Christ Faith and Works in Salvation Blood Transfusions War And Political Neutrality Holiday And Birthdays Celebrations Hell and Immortal Soul The Cross Loyalty To Jehovah God A Christian who reads *Christian Conversations with JWs* will not only learn the reasoning behind many of the doctrinal

differences that separate Jehovah's Witnesses from Biblical Christianity, but he or she will be inspired to approach Jehovah's Witnesses in a more gentle, non-confrontational way that will help open the door to more effective dialogues rather than closed-minded defensive debates. Likewise, any thinking Jehovah's Witness will find the documentation presented from Watchtower publications and solid Biblical arguments stimulating to: "Make sure of all things; hold fast to what is fine." (1 Thessalonians 5:21, New World Translation)

Regarding the Karen and Cindy conversations in this book, readers have said: "I am currently studying each and every page of the Karen and Cindy studies, looking up every Bible passage. They are very well put together, very well documented, with references and all, enormously helpful!" "I had Jehovah's Witnesses visiting for six years. ... The sad thing is now I have their beliefs in my head. So I put myself into God's hands and asked for direction. ...Well,

the feeling of freedom is amazing. I am like a child, learning again for the first time. The reason I had to write to you was the Karen and Cindy conversations. Instead of me asking for help, one question at a time, they are all there for me!! It seems as if 'Cindy' could read my mind. It's so lovely for things to fall into place... I was scared while I did not understand even the tiny bit I do now. It's such a joy instead of feeling unworthy (we're all sinners I know) and feeling I would never be saved or go to Heaven. So, please thank God and Jesus with me for such help." "As you know... I am in prison... I know that every soul you help touch is a seed that might grow to touch hundreds and thousands... For example, the What Does God Require book you sent me some time back has been making its rounds around this prison yard. And many Jehovah's Witnesses have been raising lots of questions and are re-thinking their faith... Again, thank you for your ministry... Keep up the great work!"

Apocalypse Delayed Jun 15 2021 Since 1876, Jehovah's Witnesses have believed that they are living in the last days of the present world. Charles T. Russell, their founder, advised his followers that members of Christ's church would be raptured in 1878, and by 1914 Christ would destroy the nations and establish his kingdom on earth. The first prophecy was not fulfilled, but the outbreak of the First World War lent some credibility to the second. Ever since that time, Jehovah's Witnesses have been predicting that the world would end "shortly." Their numbers have grown to many millions in over two hundred countries. They distribute a billion pieces of literature annually, and continue to anticipate the end of the world. For almost thirty years, M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of this religious movement. As a former member of the sect, Penton offers a comprehensive overview of the Jehovah's Witnesses. His book is divided into three parts, each presenting the Witnesses' story

in a different context: historical, doctrinal, and sociological. Some of the issues he discusses are known to the general public, such as the sect's opposition to military service and blood transfusions. Others involve internal controversies, including political control of the organization and the handling of dissent within the ranks. Thoroughly revised, the third edition of Penton's classic text includes substantial new information on the sources of Russell's theology and on the church's early leaders, as well as coverage of important developments within the sect since the second edition was published fifteen years ago.

10 Questions and Answers on Jehovah's Witnesses Dec 02 2022 Ten questions digging into the history and theology of the Jehovah's Witnesses cult divulge their heretical teachings, in some cases using JW teachings against themselves! Answers to JW views on the Holy Spirit and the Trinity, the veracity of their version of the Holy Bible, and analysis of their

version of salvation illuminate their variance from Christianity. Tips for talking with a Jehovah's Witness, a glossary, a page of resources and much more included. Size: 8.5" x 5.5" unfolds to 33" long. Full-color illustrations and photographs. Fits inside most Bibles. Rose Publishing Product Code: 582X

The Facts on Jehovah's Witnesses Nov 28 2019 John Ankerberg, John Weldon, and Dillon Burroughs team up to revise and update The Facts on Jehovah's Witnesses, part of the popular Facts On Series (more than 1.9 million copies of books from this series sold). Known for their extensive research and Bible knowledge, these authors offer readers the essential facts they need to evaluate and discuss today's issues regarding the Jehovah's Witnesses, a religious organization, and the Watchtower Society. The concise, easy-to-follow information helps readers answer such questions as: What is the Watchtower Society and what power does it hold? Is the Watchtower Society's translation of

the Bible accurate? Is the Society's teaching on salvation biblical? Whether the reader is merely curious or searching for specific information, The Facts on Jehovah's Witnesses will give them what they are looking for—easy-to-understand, factual, and relevant information about this group.

I'm Perfect, You're Doomed Aug 25 2019 A stand-up comedian who was brought up as a Jehovah's Witness describes how her childhood was haunted by perpetual doomsday prophecies about an imminent apocalypse in which her non-believing neighbors and schoolmates were doomed.

The Truth Book Mar 01 2020 Shares the personal account of a woman who was psychologically and sexually abused along with her mother and younger brother by her revered Jehovah's Witness stepfather, whose behavior was unquestioned by their fundamentalist congregation. 20,000 first printing.

Jehovah's Witnesses Feb 09 2021 Cult scholar

Walter Martin traces the ancestry of Jehovah's Witnesses back to the fourth century Arians who believed that Jesus Christ was merely the first and greatest of God's creations. He presents the main teachings of the Witnesses and carefully compares them with Scripture.

Getting Through to Jehovah's Witnesses Apr 25 2022 Do you want to share the gospel with Jehovah's Witnesses but don't know what to say? This book will help you communicate effectively with Jehovah's Witnesses and get them out of their prepared presentations by approaching Bible discussion in ways they won't expect. In this way, you can help them focus on what the Bible is really saying.

Judging Jehovah's Witnesses Jul 17 2021 "A vivid depiction of the hysterical and brutal suppression of the Witnesses during the 1930s and 1940s and how their legal resistance transformed the civil liberties of all Americans. A story of cowardice and courage, well told."-- Norman Dorsen, ACLU president 1976-1991. 24

photos.

How to Respond to Jehovah's Witnesses Jun 03 2020 Examines or compares the aspects of Jehovah Witness with Christianity
Jehovah's Witnesses Answered Verse by Verse Jul 29 2022 No other book answers the Jehovah's Witnesses' misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah's Witnesses to Christ.

The A to Z of Jehovah's Witnesses Jan 23 2022 This volume shows how World Wars I & II influenced Watch Tower attitudes to civil government, armed conflict, and medical innovations like blood transfusion, as well as to mainstream churches and the development of Jehovah's Witnesses' door-to-door evangelism. The theme of prophecy, the doctrine of the 144,000, end-time calculations, Armageddon, and the Witnesses' denial of hell are all considered in this work, which contains a chronology, an introductory essay, a

bibliography, and 250 cross-referenced dictionary entries relating to key people and concepts. Originating from a small group of Bible students led by Charles Taze Russell in the 1870s, the Watch Tower Society grew into an international society. After Russell's death in 1916, Franklin Rutherford was named his successor and gave the society a new name: 'Jehovah's Witnesses.'

Jehovah's Witnesses and the Secular World

Sep 06 2020 This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today, there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public

ministry, blood transfusion, and anti-ecumenism. It also explores anti-Witness discourse, from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.

[The 10 Most Important Things You Can Say to a Jehovah's Witness](#) Jan 11 2021 Essential information for effectively witnessing to Jehovah's Witnesses. Includes a look at errors in the New World Translation Bible, false prophecies of the sect's leaders, and their unbiblical views. Great for Bible studies, youth groups.

[Witnesses of Jehovah](#) Jan 03 2023

Jehovah's Witnesses Oct 20 2021 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door-knocking Witnesses into my

home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses, and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness - congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women and new methods of meeting and evangelizing in response to the COVID-19 pandemic.

Jehovah's Witnesses Nov 08 2020 This is the first major study of the enigmatic religious society.

By examining the Jehovah's Witnesses' dramatic recent expansion, Andrew Holden reveals the dependency of their quasi-totalitarian movement on the physical and cultural resources have brought about the privatization of religion, the erosion of community, and the separation of 'fact' from faith.

Conversations with Jehovah's Witnesses Dec 30 2019 An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World

Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

Understanding Jehovah's Witnesses Apr 13 2021

"This new translation of Horace's most widely read collection of poetry is rendered in modern, metrical English verse rather than the more common free verse found in many other translations. Jeffrey H. Kaimowitz adapts the Roman poet's rich and metrically varied poetry to English formal verse, reproducing the works in a way that maintains fidelity to the tone, timbre, and style of the originals while conforming to the rules of English prosody. Each poem is true to the sense and aesthetic pleasure of the Latin and carries with it the dignity, concision, and movement characteristic of Horace's writing. Kaimowitz presents each

translation with annotations, providing the context necessary for understanding and enjoying Horace's work. He also comments on textual instability and explains how he constructed his verse renditions to mirror Horatian Latin. Horace and The Odes are introduced in lively fashion by noted classicist Ronnie Ancona"--BOOK JACKET.

Exiting the Jw Cult Jul 05 2020 Numerous books have been written by ex-Jehovah's Witnesses, exposing the false claims and practices of the cult or describing their personal challenges while leaving it. But when it comes to providing help to individuals in the process of exiting and recovering from the effects of membership in the cult, few compare with EXiting the JW Cult: A Healing Handbook. Author Bonnie Zieman was born and raised as a Jehovah's Witness, leaving after thirty years to gain the higher education that she was denied and build a professional life as a psychotherapist. She knows firsthand what it's like to deal with the inhumane punishments

inflicted on anyone who leaves the Watchtower organization-foremost among them, the complete shunning by family and friends. Drawing from both her personal and professional experiences, Zieman provides aid, advice, encouragement, and insight into the many challenges faced by current and former Jehovah's Witnesses who are struggling to extricate their lives from this all-controlling cult. This empowering healing handbook is designed to be used as a reference that individuals can take down off the shelf and use to help themselves during difficult moments along their path to healing emotional wounds and coping in an unfamiliar world.

Jehovah's Witnesses Jun 27 2022 The zeal and dedication of Jehovah's Witnesses mask a highly disciplined organization that has a troubled history. Moreover, their thorough knowledge of their own scriptures gives a pretense of having spiritual truth. The movement has grown from about 1.1 million worldwide in 1965 to 4.4

million today. Yet all is not what it seems in the Watchtower Society. How do the teachings of the Jehovah's Witnesses run counter to orthodox Christianity? What drives adherents to give hundreds of hours a year to "witnessing"? What draws converts to a cult of strict control by religious leaders? Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Each book has five sections: - A concise introduction to the group - An overview of the group's theology -- in its own words - Tips for witnessing effectively to members of the group - A bibliography with sources for further study - A comparison chart that shows the essential differences between biblical Christianity and the group -- The writers

of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood.

Jehovah's Witnesses Aug 30 2022 This book, first published in 1956, is the first authoritative, comprehensive account of the worldwide activities of Jehovah's Witnesses. It traces their origins and development, and a special section covers the founding, organization and development of the movement in Great Britain.

20 Questions Jehovah's Witnesses Cannot Answer Jan 29 2020

The Heresy of Jehovah's Witnesses Oct 27 2019 Jehovah's Witnesses are not Christians. Although they believe in the New Testament, it is their own incorrect translation that is misconstrued to suit their beliefs. They do not call themselves Christians, but 'Jehovah's Witnesses' - 'Jehovah' being a name of God used in the Old Testament. Their doctrine regarding the Lord Jesus Christ is completely different to the Christian doctrine; it is a mixture of the

heresy of Arius, and other new heresies. They have even reached a level much worse than that of Arius by far. Many governments have expelled Jehovah's Witnesses from their countries because they sensed the danger which they presented to the country's general peace. Therefore, it can be said that they do not only propagate false religious beliefs, but they also propagate dangerous political ideas. As they say that the Church is a product of the devil, they also say that governments are a product of the devil, and encourage people not to enter the armed forces. They also consider saluting the flag as idolatry. Jehovah's Witnesses do not believe in the immortality of the soul and say that this is the teaching of the devil. They also say that after a person dies, he lives happily in the 'earthly paradise', thus contradicting all the promises of the heavenly kingdom. This booklet is merely a collection of articles that were published in the 'El-Keraza' English magazine, and which we considered publishing and

distributing as an introduction to the upcoming book. Pope Shenouda III

Awakening of a Jehovah's Witness Dec 22 2021 This tale of mind control, the use of fear to manipulate vulnerable people, and final escape from a suffocating cult environment is a revealing exposT of a secretive contemporary sect, as well as a true psychological thriller. Diane Wilson spent twenty-five precious years of her life, first becoming indoctrinated by the dogma of the Watchtower Society, and then struggling to free herself from its pervasive, intimidating clutches. In this probing, brutally honest assessment, Wilson describes how a childhood of psychological abuse and lack of self-confidence rendered her vulnerable to the seductive doctrines of the Jehovah's Witnesses. Yet as time went on and the society demanded rigid control over every aspect of her life, even her every thought, Wilson began to rebel. Her gradual awakening, at first unconsciously through physical and psychological ailments,

and then consciously as a caring therapist helped her rediscover her true self, is a fascinating story. What she reveals about the goings-on within the closed Watchtower Society will shock the average person who assumes the polite, well-dressed people who pass out leaflets are much like any other conservative religious group. Wilson contends that membership in the Jehovah's Witnesses requires obedience bordering on psychological enslavement and complete suppression of individuality. Her engrossing memoir will be of great interest to former Witnesses, students of cult phenomena, and anyone who has ever had contact with Jehovah's Witnesses.

Jehovah's Witnesses Sep 18 2021 This volume of the Zondervan Guide to Cults and Religious Movements sheds new light on the intrigue of the Jehovah's Witness movement.

Leaving the Witness Feb 21 2022 "A fascinating glimpse into the consciousness of being an outsider in every possible way, and

what it takes to find your path into the life you'd like to lead."--Nylon A riveting memoir of losing faith and finding freedom while a covert missionary in one of the world's most restrictive countries. A third-generation Jehovah's Witness, Amber Scorah had devoted her life to sounding God's warning of impending Armageddon. She volunteered to take the message to China, where the preaching she did was illegal and could result in her expulsion or worse. Here, she had some distance from her community for the first time. Immersion in a foreign language and culture--and a whole new way of thinking--turned her world upside down, and eventually led her to lose all that she had been sure was true. As a proselytizer in Shanghai, using fake names and secret codes to evade the authorities' notice, Scorah discreetly looked for targets in public parks and stores. To support herself, she found work at a Chinese language learning podcast, hiding her real purpose from her coworkers. Now with a creative outlet, getting to

know worldly people for the first time, she began to understand that there were other ways of seeing the world and living a fulfilling life. When one of these relationships became an "escape hatch," Scorah's loss of faith culminated in her own personal apocalypse, the only kind of ending possible for a Jehovah's Witness. Shunned by family and friends as an apostate, Scorah was alone in Shanghai and thrown into a world she had only known from the periphery--with no education or support system. A coming of age story of a woman already in her thirties, this unforgettable memoir examines what it's like to start one's life over again with an entirely new identity. It follows Scorah to New York City, where a personal tragedy forces her to look for new ways to find meaning in the absence of religion. With compelling, spare prose, *Leaving the Witness* traces the bittersweet process of starting over, when everything one's life was built around is gone.

Between Resistance and Martyrdom Mar 13

2021 *Between Resistance and Martyrdom* is the first comprehensive historical study of the persecution of Jehovah's Witnesses during the Holocaust era. Refusing to perform military service under Germany's Third Reich due to their fundamental belief in nonviolence, Jehovah's Witnesses caught the attention of the highest authorities in the justice system, the police, and the SS. Although persecuted and banned from practicing their beliefs by the Nazi regime in 1933, the Jehovah's Witnesses' unified resistance has been largely forgotten. Basing his work on a wide range of sources, including documents and archives previously unconsidered as well as critical analyses of Jehovah's Witness literature and survivor interviews, Detlef Garbe chronicles the Nazis' relentless persecution of this religious group before and during World War II. The English-language edition of this important work features a series of original photographs not published in the German edition. These striking images bring

a sense of individual humanity to this story and help readers comprehend the reality of the events documented. *Between Resistance and Martyrdom* is an indispensable work that will introduce an English-speaking audience to this important but lesser-known part of Holocaust history.

[Apocalypse Delayed](#) Aug 18 2021 For almost thirty years, M. James Penton's *Apocalypse Delayed* has been the definitive scholarly study of the Jehovah's Witnesses. As a former member of the sect, Penton offers a comprehensive overview of this significant religious movement.

[An Open Letter to a Jehovah's Witness](#) Nov 20 2021 Understanding what Jehovah's Witnesses teach and believe is crucial to counteract their aggressive evangelism campaigns. Roy Zuck offers this letter in the absence of direct, compassionate literature to hand to them to explain Scriptural truth and the difference between their faith and Christianity. In booklet form, it is compassionate while clearly

explaining the Deity of Christ and how the teachings of Jehovah's Witnesses contradict the Bible.

Answering Jehovah's Witnesses May 27 2022 Surprisingly enough, there has been no Catholic book about dealing with Jehovah's Witnesses at your door...until now. Jason Evert's Answering Jehovah's Witnesses walks you through the doctrines of the JW's, revealing where and why they're wrong--giving special attention to favorite verses and standard topics that a JW will use in rejecting the Catholic faith. The book provides helpful and practical suggestions for sharing your faith with Jehovah's Witnesses and planting seeds of truth. Planting seeds is easier than you might think. While most JW's appear to be well-informed Scripture scholars, they're just reading from a script with canned answers to your objections. For the most part they're surprisingly unfamiliar with the Bible. It doesn't take much to throw a monkey wrench into their

belief system. Answering Jehovah's Witnesses will show you how.

Approaching Jehovah's Witnesses in Love Sep 30 2022 Do you feel like hiding when Jehovah's Witnesses ring your doorbell? Have you tried to convey your faith to them...and gotten nowhere? It's proven and practical guide which includes questions, answers, conversation starters and other great witnessing tools that will help you speak to Jehovah's Witnesses.

Watching the Watchtower Oct 08 2020 Have you ever wanted to take a closer look into the religion Jehovah's witness? Search no longer! This book has it all. From when the religion was founded to opening up new light on the religion. This book speaks complete truth until the very end. Lets all join together and spread God's word through this book and of course the Bible. **Jehovah's Witnesses** May 03 2020 History and teachings of Jehovah's Witnesses organization.
