Kidner's Casebook on Torts Dec 18 2021 Kidner's Casebook on Torts is the essential companion for undergraduate tort law students, providing a comprehensive portable library of leading cases in the field. Kirsty Horsey and Ericka Rackley, authors of the best-selling tort law textbook, combine their talents again to update Kidner's popular casebook; bringing together an impressive range of carefully edited extracts and combining insightful commentary with questions and annotated cases to help your students identify and analyse the key elements of each case. Online resources The text is supported by online resources which provide a comprehensive suite of resources, including downloadable annotated cases, flashcard glossary, and web links and video clips of current items.

Three Essays on Torts May 11 2021 These essays illustrate the advantages of 'reflexive' tort scholarship by contrasting the reflexive scholarship of judicial analysis with grand theory, then applying reflexive scholarship to the tort of negligence. The final essay presents a wider argument about human responsibility and legal conduct.

Street on Torts Nov 29 2022 'Street on Torts'

provides a scholarly and incisive treatment of the law of torts with a focus upon key concepts and clear explanations.

Casebook on Torts Mar 09 2021 Richard Kidner's established 'Casebook on Torts' is an essential casebook for students of tort law. The case selection for this book has been based upon the standard cases, and the extracts outline the reasoning behind each case decision.

Cases and Materials on Torts Oct 16 2021

Traditionally organized along doctrinal lines with the exception of Chapter 5, which treats duty and proximate causation as related concepts. Streamlined chapters on intentional torts, standard of care in negligence, and causation. (A teacher can start with either intentional torts or negligence.) This enables a teacher to finish these basic materials in time to cover some of the more complex subjects that are the source of much current litigation, such as comparative responsibility schemes, multiparty litigation, products liability, communications torts, and business torts.

Torts: Keyed to [Professor, Wade,] Schwartz, Kelly, and Partlett's Casebook on Torts, 11th

Edition Oct 24 2019 Provides extensive analysis of cases in the [Prosser,] Wade, Schwartz, Kelly, and Partlett's Casebook on Torts, 11th. Included in the case analyses are the case procedural basis, fact, issues, decision and rationale, and analysis.

Additional quick memory aids include headnotes, instant facts, black letter rules, case vocabulary, and graphics. Each chapter begins with an introduction of its concepts presented in simple terms, and an alphabetical table of cases is

provided.

Cases on Torts Feb 08 2021

High Court Case Summaries on Torts, Keyed to Dobbs

Aug 02 2020 This edition contains well-prepared briefs for each major case in Dobbs's casebook on Tort Law. High Court briefs are written to present the essential facts, issue, decision and rationale for each case in a clear, concise manner. While prepared briefs can never substitute for the insight gained by actually reading a case, these briefs will help readers to identify, understand, and absorb the core "take away" knowledge from each case. Moreover, these briefs are followed by a useful legal analysis, which provides extra tips and contextual background about each case, connecting the case to the broader concepts being developed throughout the casebook. This book also supplies case vocabulary, which defines new or unusual legal words found throughout the cases. Finally, to enhance the reader's recall, there is a corresponding memory graphic for each brief that portrays an entertaining visual representation of the relevant facts or law of the case.

Torts!, third edition Jun 24 2022 A law school casebook that maps the progression of the law of torts through the language and example of public judicial decisions in a range of cases. A tort is a wrong that a court is prepared to recognize, usually in the form of ordering the transfer of money ("damages") from the wrongdoer to the wronged. The tort system offers recourse for people aggrieved and harmed by the actions of others. By filing a lawsuit, private citizens can demand the attention of alleged wrongdoers to account for what they've

done—and of a judge and jury to weigh the claims and set terms of compensation. This book, which can be used as a primary text for a first-year law school torts course, maps the progression of the law of torts through the language and example of public judicial decisions in a range of cases. Taken together, these cases show differing approaches to the problems of defining legal harm and applying those definitions to a messy world. The cases range from alleged assault and battery by “The Schoolboy Kicker” (1891) to the liability of General Motors for “The Crumpling Toe Plate” (1993). Each case is an artifact of its time; students can compare the judges’ societal perceptions and moral compasses to those of the current era. This book is part of the Open Casebook series from Harvard Law School Library and MIT Press.

North Carolina Law of Torts 3rd Edition May 31 2020
The Third Edition of North Carolina Law of Torts covers every aspect of North Carolina tort law. Part I covers intentional torts and defenses; Part II is devoted to negligence and defenses; Part III discusses strict liability and defenses; and Part IV covers a variety of other torts overlapping these categories. “Scope Notes” at the start of each chapter describe the subjects covered and refer to related issues in other chapters for easy cross-referencing. A Table of Cases and Table of Statutes help save you time and focus your research, while the index eases your search for specific areas of tort law.

Cases and Materials on Torts Jul 13 2021 The new edition focuses on the current controversies in Tort law. Changes in the law endorsed by the Restatement

(3rd) are explored. The casebook strives to invigorate the study of intentional torts by going beyond the traditional personal injury approach. Battery is considered in its increasing application in environmental litigation. The torts of intentional interference with contractual and economic relations, which almost all students will encounter in whatever field of practice (e.g. corporate, entertainment, public interest) they ultimately choose are introduced in the basic intentional tort section including the case that nearly bankrupt Texaco and the potential liability of an environmental public interest group for encouraging a boycott. The negligence section addresses controversies ranging from parental liability for failure to prevent a child from committing homicides, mental distress for exposure to toxic pollutants to tobacco industry liability. The necessity defense is considered in the context of Katrina. Negligence is critiqued from feminist, economic and other perspectives. Cases have been selected for their teachability and stimulation for students. Notes are straight forward to allow professors freedom to focus on policy concerns.

Harper, James and Gray on Torts Jun 12 2021

Sourcebook on Tort Law 2/e Jul 25 2022 The purpose of this book is to provide a clear guide to tort law, examining the main principles and areas of the subject. It includes text emphasizing the main issues of liability. The text incorporates relevant materials, extracts from leading judgments, articles and reports of review bodies on tort law. It should

prove especially useful for those who do not have access to a law library, as for those whose library is under severe pressure from users. It will be useful to those participating in seminars and tutorials and will enable them to take part in a good level of discussion. This new edition of Sourcebook on Torts has been fully revised and incorporates the Human Rights Act 1998. The effect of the European Courts decision in Osman is now being felt, as is evident from the judgments of the House of Lords in Barrett v Enfield BC. The Law Commission's proposals on liability for psychiatric illness are included. Developments in the tort of nuisance, the defence of qualified privilege and damages are also scrutinized. Several Law Commission reports and the Social Security (Recovery of Benefits) Act 1997 are also extracted, as are other new pieces of legislation, such as the Damages Act 1996 and the Defamation Act 1996.

Cases on Torts Feb 26 2020

Morris on Torts Apr 10 2021

Cases and Materials on Torts Aug 26 2022 Well-known Torts expert Richard A. Epstein skillfully and effectively integrates modern scholarship and historical background in this highly successful casebook. Cases and Materials on Torts, now in its Ninth Edition, is an excellent introduction to the first-year Torts course that has been classroom-tested - and proven - by generations of law students. Characteristics that have helped to make Cases and Materials on Torts a leader in the field include: Outstanding authorship: Richard A. Epstein is a well-known and highly respected expert in the

field, and his presentation of the material with a definite economics-based point of view engages students and fuels class discussion

Traditional approach: Cases are integrated with modern scholarship on moral theory, law and economics, and salient policy questions

Thoughtful presentation: Professor Epstein examines the processes of legal method, legal reasoning, and the impact of legal rules on social institutions and exposes students to different intellectual approaches that have been employed to interpret tort law over the years

Historical background: Discussion of the historical backdrop provides students with an accurate sense of Tort Law and its development up to the present

comprehensive Teacher's Manual: Professor Epstein shares proven teaching tips

Continuing the past tradition of this widely used casebook, the Ninth Edition has been updated with:

- updated coverage of the growth in the doctrines of federal preemption into Tort Law, including whether compliance with a federal regulation blocks a state tort action
- coverage of the role of cyberspace in tort law, especially on the property torts, such as conversion

New cases and updated notes throughout

Well written and insightful, this venerable casebook provides a firm introduction to torts for first-year students, giving them a sense of the historical underpinnings of tort law as well as exposure to different intellectual approaches to interpreting it. An author website to support classroom instruction using this title is available at <http://www.aspenlawschool.com/epstein9>

A Casebook on Tort Dec 26 2019 This textbook presents the most important cases, statutes and

European legislative materials that are necessary for a proper understanding of tort.

Cases and Materials on Torts Jan 19 2022

Cases on Torts Apr 22 2022 The sixth edition of Cases on Torts has been updated to take into account significant developments in Australian tort law in recent years. This established casebook is a valuable resource of the principles of contemporary tort law in its historical context. It is intended to provide students with a resource to develop the essential legal skills of reading and comprehending primary sources of law, rather than always relying on secondary commentary or summaries. To guide the student, each case extract is preceded by a short note setting out the essential principle for which the case is authority and/or asking the student to consider a key issue which the case addresses or leaves undecided. Many new extracts have been included in this edition, comprising significant new cases and new comments, as well as some classic and foundational English and American torts cases with which every torts lawyer should be familiar. The currency of the book will be maintained by the publication of edited extracts of important new cases on The Federation Press website. The extracts will be accompanied by brief editorial comment and all may be freely downloaded.

A Treatise on Torts Jul 01 2020

Cases and Materials on Torts Oct 28 2022 Cases and Materials on Torts, Eleventh Edition for Fall 2016 classes. The Connected Casebook is a powerful, all-in-one learning solution offering your students a print casebook; a fully functional eBook, with highlighting and note-taking capabilities; hundreds

of practice questions in the Study Center; and an Outline Tool to help outline more efficiently and effectively. This top tier casebook integrates modern scholarship with historical background to provide a sense of the development of tort law. The thoughtful presentation engages students by examining different intellectual approaches used to interpret law. The 11th edition carries many successful features from earlier editions, including extensive historical materials on the evolution of tort law, an expanded treatment of public nuisance law, recent developments in products liability law, expansion of the materials on various types of injuries in damage cases, and heavier emphasis on web-based communications under the law of defamation and privacy. Key Features: Updated two-color design New Restatement boxes that highlight the law for easy reference Condensation of basic material, including a combination of the insurance contract and no fault insurance issues into a single chapter Introduction of new visual materials in each chapter, including pictures charts, cartoons, and biographical sketches of key figures in tort law, as an assist to the case and other materials

Torts Apr 29 2020 This title contains briefs for each major case in Epstein and Sharkey's casebook on Torts. These briefs will help you identify, understand, and absorb the core knowledge points from each case. They are followed by legal analysis, providing contextual background about each case, and connecting the case to the broader concepts developed throughout the casebook. This title also supplies case vocabulary, with definitions of new or unusual legal words found throughout the cases.

Finally, to enhance your recall, there is a corresponding memory graphic for each brief that portrays a visual representation of the relevant facts or law of the case.

Textbook on Torts Nov 17 2021 This is the new edition of the well-established and widely recommended textbook on the law of torts by Professor Michael Jones. The eighth edition offers concise, yet comprehensive and accurate coverage and provides detailed analysis that encourages an in-depth understanding of this core area of law. Jones' accessible writing style is further developed within a revised page layout that enhances the clear and easy-to-use nature of this popular text. The content of the work has been revised and updated, mapping well on to current tort courses with particular emphasis on the tort of negligence and related areas. New to this edition is comprehensive coverage of decisions of the House of Lords, such as *Phelps vs. Hillingdon London Borough Council* (2000), *Lister vs. Hesley Hall Ltd.* (2001), and *Delaware Mansions Ltd. vs. Westminster City Council* (2001); as well as Decisions of the Court of Appeal, such as *Kane vs. New Forest DC* (2001), *Fairchild vs. Glenhaven Funeral Services* (2001), and *Allen vs. British Rail Engineering* (2001). Written specifically with undergraduates in mind, this is an essential textbook for students of all abilities following degree and CPE courses in tort law.

Hornbook on Torts Dec 30 2022 This single-volume hornbook provides a comprehensive overview of tort and injury law. The book covers all of the major topics in tort law. Topics include liability for physical injuries, as well as emotional, dignitary,

and economic harms. This newly-updated edition includes citations to hundreds of cases and statutes decided over the last decade, as well as references to the Restatement (Third) of Torts.

Street on Torts Mar 21 2022 *Street on Torts* provides a scholarly and incisive treatment of the law of torts with a focus upon key concepts and clear explanations. This book builds upon the learning of its previous, celebrated authors and, nearly 60 years after publication of the first edition, is considered a classic exposition of the law of torts.

High Court Case Summaries on Torts, Keyed to Franklin, 9th Sep 03 2020 *Franklin's High Court Case Summaries on Tort Law*, 9th contain well-prepared briefs for each major case in Franklin's casebook on Tort Law. High Court briefs are written to present the essential facts, issue, decision and rationale for each case in a clear, concise manner. While prepared briefs can never substitute for the insight gained by actually reading a case, these briefs will help readers to identify, understand, and absorb the core take away knowledge from each case. Moreover, these briefs are followed by a useful legal analysis, which provides extra tips and contextual background about each case, connecting the case to the broader concepts being developed throughout the casebook. This book also supplies case vocabulary, which defines new or unusual legal words found throughout the cases. Finally, to enhance the reader's recall, there is a corresponding memory graphic for each brief that portrays an entertaining visual representation of the relevant facts or law of the case.

Street on Torts Sep 27 2022 'Street on Tort' has long been renowned for its clear and wide-ranging coverage of the law of torts, explaining how torts actually work and the social purposes behind them. This edition continues to cover the range of torts, and takes account of the growing importance of the Human Rights Act in tort issues.
