Twelve-year-old Sarojini's best friend, Amir, might not be her best friend any more. Ever since Amir moved out of the basti and started going to a posh private school, it seems like he and Sarojini have nothing in common. Then Sarojini finds out about the Right to Education, a law that might help her get a free seat at Amir's school – or, better yet, convince him to come back to a new and improved version of the government school they went to together. As she struggles to keep her best friend, Sarojini gets help from some unexpected characters, including Deepti, a feisty classmate who lives at a construction site; Vimala Madam, a human rights lawyer who might also be an evil genius; and Mrs. Sarojini Naidu, a long-dead freedom fighter who becomes Sarojini's secret pen pal. Told through letters to Mrs. Naidu, this is the story of how Sarojini learns to fight – for her friendship, her family, and her future. Published by Zubaan. When several things are ordained to one thing, one of them must rule or govern and the rest be ruled or governed, as the Philosopher, teaches in the Politics. This is evident in the union of soul and body, for the soul naturally commands and the body obeys. The same thing is true of the soul ' s powers, for the concupiscible and irascible appetites are ruled in a natural order by reason. Now all the sciences and arts are ordained to one thing, namely, to man ' s perfection, which is happiness. Hence one of these sciences and arts must be the mistress of all the others, and this rightly lays claim to the name wisdom; for it is the office of the wise man to direct others.
